

Stenciling

High resolution, multi-colour printing

Your name, logo and website printed in clear, bold colour across your product will mean important brand visibility wherever it goes. By using dot matrix, inkjet, single nozzle or label application systems. With machinery that has proven itself for decades in industrial plants around the world, Tebulo robotics will be the rock of reliability in your facility.

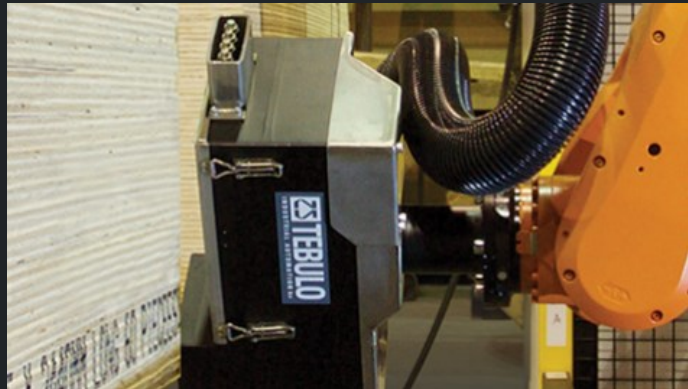

Production increasement

With Tebulo robotics you get all the colours and specs you need, fast and efficient application and marking that will remain clear and visible right to the end user.

Flexible integration

Tebulo robotic solutions are engineered for fertility. We understand the varying needs of the industries we serve and our products are designed for the flexibility to integrate into even the most demanding environments. We have the expertise to find the most efficient, economical and productive way to get robotics working for your business.

Benefits

- ✓ Complete automatic marking
- ✓ Label attachments
- ✓ Safe operation
- ✓ High resolution, multi-colour printing
- ✓ Low maintenance costs
- ✓ Live machine status check
- ✓ End-stripping
- ✓ 24/7 automated performance
- ✓ Other needs on request
